Clichés

Bite my tongue
 Hold my breath
 Rock the boat
 You are my destiny
 Take me down to the river
 Keep my heart beating like a drum
 Running out of time
 We should party all night
 Make a wish
 Doing it right
 Raining down
 Walk through the storm
 Open up your heart
 Your one and only
 A perfect storm
 A one-way ticket
 Disappeared in front of my eyes
 I have made up my mind
 I lost myself
 All we have is this moment
 Right in front of you
 One of a kind
 Once in a lifetime
 Couldn't take it anymore
 Keeping my head above the water
 I have to rise above
 The truth will set you free
 In the name of love
 Deep down in my soul
 You have opened my eyes
 Under your spell
 The way you make me feel
 High as a kite
 It takes two
 Two sides to every story
 Walking on a wire
 I just wanna be your lover
 You somehow get me on my knees
