

Conflict in Lyrics

Set Fire To The Rain

(Adele)

I let it fall, my heart,
And as it fell you rose to claim it
It was dark and I was over
Until you kissed my lips and you saved me

My hands, they're strong
But my knees were far too weak,
To stand in your arms
Without falling to your feet

But there's a side to you
That I never knew, never knew.
All the things you'd say
They were never true, never true,
And the games you play
You would always win, always win.

But I set fire to the rain,
Watched it pour as I touched your face,
Well, it burned while I cried
'Cause I heard it screaming out your name, your name!

The Greatest Man I Never Knew

(Richard Leigh)

The greatest man I never knew lived just down the hall
and every day we said hello but never touched at all
He was in his paper. I was in my room
How was I to know he thought I hung the moon?

The greatest man I never knew came home late every night
He never had too much to say. Too much was on his mind
I never really knew him, oh and now it seems so sad
Everything he gave to us took all he had

Then the days turned into years
And the memories to black and white
He grew cold like an old winter wind blowing across my life

The greatest words I never heard I guess I'll never hear
The man I thought could never die has been dead almost a year
Oh, he was good at business but there was business left to do
He never said he loved me
Guess he thought I knew

The Whole Of The Moon

(The Waterboys)

I pictured a rainbow
You held it in your hands
I had flashes
But you saw the plans
I wandered out in the world for years
While you just stayed in your room
I saw the crescent
You saw the whole of the moon
The whole of the moon

Hmm, you were there in the turnstiles, with the wind at your
heels
You stretched for the stars and you know how it feels to reach
too high
Too far
Too soon
You saw the whole of the moon

I was grounded
While you filled the skies
I was dumbfounded by truth
You cut through lies
I saw the rain dirty valley
You saw Brigadoon
I saw the crescent
You saw the whole of the moon

I spoke about wings
You just flew
I wondered, I guessed and I tried
You just knew
I sighed
But you swooned,
I saw the crescent
You saw the whole of the moon
The whole of the moon
